2. New cards will be available for distribution at the Depots nearest to the place of residence of the card-holders.

3. A new ration card will be issued only on surrender of the census acknowledgment and the identification card issued by the Municipality. The person in whose name the card is issued should sign or affix his or her left thumb print in the space provided on the card and the counterfoil before delivery.

4. Holders of ration cards who for any reason are unable to appear at the depots for giving the acknowledgment and taking the ration cards, may send at their own risk the census acknowledgment and the old identification cards together with a letter requesting that the new card may be handed over to the bearer of the letter. In such cases, the old identification card and the acknowledgment slip will be retained in the depot and the new ration card together with the counter part of it which is meant for record in the depot (and on both of which the holder's signature will be necessary) will be handed over to the bearer under acknowledgment. The holder of the ration card should thereupon, sign both on the ration card and on the counterfoil and return both parts of the card. Thereafter the counterfoil of the ration card will be retained in the depot concerned and the card returned to the bearer. It must be

accept no responsibility whatever for loss or misplacement of ration cards sent through bearers under the above arrangements.

All house-holders are requested to co-operate in this arrangement and take their new ration cards in conformity with the local arrangements made.

Key :—The census serial numbers for Tumkur Town run from 1 to 7100. To facilitate work these forms were made into books of 20 sheets each.

Any given census serial number will be found in the book ; the number of which can be found easily by dividing the serial number by 20 and adding 1 to

If there be no remainder, the quotient itself gives the number of the book.

Thus for 5721 and 4840, the book numbers are 287 and 242, respectively. Once the book number is ascertained the locality is known from this appendix. Appendix II furnishes the area assigned to each depot and the fresh ration card will be available at the Depot concerned.
